TAPES

Fortifiber Carpet Seam Tapes

If you want **better seams** try Fortifiber hot-melt seaming tapes; and they're ours exclusively. Fortifiber tapes are better because:

- **No Odor • No Smoke • Non-curl paper.**
- **Reduces Peaking:** Premium adhesive melts at lower temperature and lower heat avoids melting synthetic backings.
- **Stronger Reinforcement:** double weight glass yarn.
- **Non-split Reinforcement:** unique laminating process keeps reinforcing yarns flexible. Yarn doesn't get brittle and crack when heated.
- **100% Silicone Coated Paper:** not just under the adhesive.

We carry a huge stock of Fortifiber tapes in four styles for every seaming need.

FF-632 SUPER HIGH PERFORMANCE TAPE

Our very best seaming tape! Combines all of the features of Tri-Directional tape with extra heavy adhesive and a 50 lb. bi-directional paper. Works with more difficult backings better than any other tape we know. Use in heavy traffic commercial installations, and on difficult backings such as berbers and other woven carpets.

FF-631TD TRI-DIRECTIONAL TAPE

Our most popular tape! A new improvement in hot melt tape! Reinforcing fibers run in 3 directions giving added strength in length and width. The unique pattern of the scrim helps reduce peaking problems by giving flexibility in the length and width of the tape.

FF-631-6 TD 6 INCH TRI-DIRECTIONAL TAPE

Same as 631-TD, but 6 inches wide to reduce seam peaking.

FF-621 STANDARD GRADE

For light to medium residential and commercial areas. Use on jute, poly, dry woven and some synthetic backs.

No.	Type	Length	Pack	Weight/Case
FF-632	Super High Performance	22 yds.	10	30 lbs.
FF-631	Tri-Directional	22 yds.	10	23 lbs.
FF-631-6	Tri-Directional 6" wide	22 yds.	5	23 lbs.
FF-621	Standard	22 yds.	10	24 lbs.

Hot Melt Seaming Tapes

TAPES

Roberts Heat Seaming Tapes

Roberts heat bond tapes have Tuff-Lock® fiberglass scrim designed with a straight 90° alignment of the yarn that stays in place when you iron it and remains straight when stretched. Your choice of two adhesives: **Premium** - melts and cools faster; **XTRA** - provides stickier and better initial grab and longer working time. All have release treated ultra-quiet lay-flat paper. Use with: jute; Action Bac®; woven or tufted latex back carpets. 22 yd. rolls; 10 per carton. Three qualities with two adhesives for every need:

GT-350 PREMIUM TAPE

Premium GT-350 has 3" wide Tuff-Lock scrim for better seam appearance. Very thick layer of premium adhesive for surer, quicker grab on deep-ribbed and coarse carpet backings. Designed for all types of commercial installations. Use with carpet backs listed above plus velvets, knits, Axminster and Wilton. Roll weighs 2.9 lbs.

GT-340 XTRA HEAT BOND TAPE

Roberts new "XTRA" adhesive gives GT-340 better grab and longer working time. Recommended for medium or heavy commercial installations to seam all backings listed above plus velvets, knits, Axminster and Wilton. Roll weighs 2.4 lbs.

GT-300 TUFF-LOCK TAPE

Designed for residential and light commercial installations in moderate traffic areas. Use with jute, Action Bac®, and woven or tufted latex backs. Roll weighs 2.2 lbs.

Pad Tapes

AN-620 SILVER CLOTH CARPET PADDING TAPE

Silver cloth duct-tape for use on all padding. Especially recommended for felt or felt-type cushion. Superior to paper tape because: 1) it has higher tack; 2) it ages better and doesn't become brittle; 3) it is quieter – no crinkling noise. The Carpet & Rug Institute recommends cloth tape, and it is the choice of experienced installers. 2 inch wide x 60 yd rolls; packed 24 per case.

AN-513 PAPER PAD TAPE

An economical tape for taping rubber or polyurethane cushion when cost is a prime consideration. 2" wide x 60 yd rolls; packed 24 per case. *CAUTION - paper pad tapes become brittle with age.*

AN-519 PAPER MASKING TAPE - CLEAN RELEASE

2" wide paper masking tape has release adhesive that leaves no residue when it is peeled off. Can be used as a pad tape or a masking tape without fear that the finish of the material being taped will be damaged. 2" wide x 60 yd rolls; packed 24 per case.

Double Face Tapes

TE-4394 DOUBLE FACE CLOTH TAPE

Our best professional quality double face tape. Cotton cloth coated on both sides with high tack adhesive. Thicker fabric and heavier adhesive coating permit this tape to be used in places where our vinyl double-face tapes won't work, such as with nubby carpet backings. For indoor use. 2" x 25 yd rolls; packed 12 per case.

DOUBLE-FACE VINYL TAPE

Economical tape for indoor use with high tack adhesive. We stock two sizes: No. 740 is for professional use; No. 704 is packed for sale to DIY customers.

Prod No.	Pack	EDP No.
AN-740	2" x 25 yds	24 rolls / ctn.
AN-704	2" x 10 yds	36 rolls / ctn.

TE-4091 STRAPPING TAPE

A superior high strength, economical synthetic strapping tape. Perfect for wrapping rugs, sealing cartons, etc. Non-staining formula won't stain face yarn. Orange color. 3/4" wide x 60 yards; packed 16 roll per package, 96 rolls per carton.

AN-5186 CLEAR 5" RUG WRAP TAPE - MOBIL MASTERWRAP

A clear plastic stretch film 5 inches wide; Ideal for wrapping remnants and small rolls of carpet. Film can be marked easily with magic marker or felt tip pen. Roll is 1000 ft. long. 12 rolls per case. An applicator handle is packed in each case; extra handles are available. Carton weighs 21.6 lbs; sold in full cartons only.

AN-110 CLEAR PACKAGE SEALING TAPE

Clear plastic tape is perfect for wrapping remnants or sealing packages or cartons. 2" wide x 110 yds. 36 rolls per carton.

AN-TURF TURF TAPE

Pressure sensitive seaming tape specially designed for seaming synthetic turf. Roll is 2" x 75 ft. Packed in individual boxes for resale or for professional use.
