Fishman Opens Branch

Number 40 in Fredericksburg, Virginia

BALTIMORE, MD., August 21, 2023 – Fishman Flooring Solutions, a leading distributor of flooring and flooring installation supplies, has opened its newest branch in Fredericksburg, Virginia. The new branch, which is number 40 for Fishman, will enable the company to offer its full line of flooring and flooring installation products to the company’s expanding customer base in the Northern Virginia area.

“Our customers in Northern Virginia have been telling us for some time that it would be much easier to do business with us if there was a Fishman branch in the area,” said Michael Riddle, Fishman director of operations. “At Fishman, we take pride in listening to our customers and the new Fredericksburg branch is the result of that. This is an example of us taking another opportunity to delight our customers”

The 4,550 square foot facility features warehouse space with two large street-level dock doors for easy product pickup, as well as a product showroom. The showroom will enable Fishman to showcase many of its flooring products, installation tools, and supplies.

The branch will be managed by John McMillion, who joined Fishman in March 2022 as manager of Fishman’s Richmond, Virginia warehouse. The new branch is located at 474 Central Road, Fredericksburg, Virginia 22401.

The Fredericksburg branch is Fishman’s sixth in Virginia. Its other locations in the state are in Manassas, Newport News, Norfolk, Richmond, and Roanoke.
