Fishman Flooring Solutions Relocates Raleigh, N.C.

Branch to Better Serve Customers

BALTIMORE, MD., July 11, 2022 – Fishman Flooring Solutions, a leading distributor of flooring and flooring installation supplies, has relocated its Raleigh, North Carolina branch. After more than 30 years of meeting the needs of flooring installation contractors at 1100 Corporation Parkway, the company has moved its operations to 5000 Jones Sausage Road in Garner, North Carolina effective June 27, 2022.

“Our goal in searching for a new location, which took almost a year, was to find space that would accommodate our growing business and make it easier for our customers in Eastern and Central North Carolina, as well as the Triad area, to do business with us.” said Greg Vale, Fishman vice president of sales. “We achieved those things at our new branch. It will feature more warehouse space to accommodate our rapidly growing residential and commercial flooring lines, more dock doors for our expanding delivery fleet and a larger showroom to exhibit our complete line of flooring installation tools and supplies.”

Fishman has experienced significant growth in its business in recent years, which has led to the expansion of its footprint with new branches in new markets; moving into new, larger, more customer-friendly branches; and expanding some of its existing locations. Over the past five years, the company has opened new branches in Knoxville, Tennessee; Nashville, Tennessee; Savannah, Georgia; and Birmingham, Alabama. Over the same time period, Fishman expanded its Columbus, Ohio branch and warehouse; increased space at its Baltimore headquarters; and relocated its Charlotte, North Carolina branch to a larger building. The company now has 38 branches in 15 states.

Fishman Flooring Solutions, headquartered in Baltimore, Maryland, is the “Solutions Provider” distributor of flooring and flooring installation products.
